Henry L. Deneen
President, Greater Europe Mission

Henry served for 13 years as a trial attorney and municipal judge before serving as Chief Legal Counsel for Governor David M. Beasley. After attending seminary, Henry and his family lived in southern France and ministered to a Muslim people group in North Africa. In 2005, Henry co-founded with former Governor Beasley the Center for Global Strategies. Since 2007, Henry has brought a creative ministry approach to Greater Europe Mission as its new President. GEM is passionate about reproducing disciples and churches, partnering with Christian businesspeople in Marketplace Initiatives, and reaching Muslims with the Gospel in European cities.

Peppo Biscarini
Italy Field Leader,
Greater Europe Mission

Peppo brings careers as a professional athlete, actor, and businessman to his role with Greater Europe Mission. A two-time world champion swimmer (and former member of the Italian and U.S. national swim teams), Peppo has been involved in commercial real estate, manufacturing (including taking his company to IPO status), and was a founding member of hedgefund.net, the premier online Hedge Fund matchmaking service for fund managers and clients. Peppo and Jane live in Rome where they disciple and evangelize influencers in business and the Italian nobility, are starting a new church, and are passionate about reaching Italian youth for Christ.
